

The Musical Gala

Thank you for your interest in the second annual Musical Gala, an adult's only student concert. There are few options available for adult students to perform in a no pressure environment. Many adults shy away from regular studio recitals, as they feel uncomfortable performing side by side with younger students. Therefore, GJMTA has created this event, *The Musical Gala*, purely with adults in mind. Listed below will be a few requirements for participation in the Musical Gala. Keep in mind, there is a limit to how many students will be able to participate.

If you have further questions, please contact Sydnee Martinez at (970) 986-2841. Please return registration to Sydnee by deadline.
