With excitement preparations for the next months meeting featuring our CSMTA president's visit to Grand Junction were made.

Dr Cooperstock will visit November 10th. The meeting will be held at the downtown Methodist Church at 11:00am.

He will give his program on George Walker, a contemporary black composer who won a Pulitzer prize.

There was a sign up for lunch after the meeting. We would love a huge turn out so were encouraged to invite many friends and colleagues.

The meeting was adjourned

The program followed with members sharing games and visual aids to be used to enrich and improve lessons. One member got carried away but the rest was enlightening.
