Ribbon Festival (Hope) The Festival is scheduled for November 14th. It is usually held at the Church of the Latter Day Saints, but this year because of Covid, they are not allowing outside groups use the facilities. Crossroads was presented as an alternative and it is available. Hope is working on updating all Theory and Ear Training Tests with CMTA. She should have these available by next meeting. Planning on offering ZOOM for Participants and Judges instead of in person for those who wish it. Checks should be turned in to Beck Dyke (Treasurer) for all students participating. These need to be turned in by next meeting in October. There are 10min, 15 min., 20 in., and 25 in. slots available based on students needs and levels. Listeners should offer constructive criticism to encourage the student to continue in their studies.

Sonatina Festival (Amber) The Sonatina Festival is scheduled for February 27, 2021. There are two additional categories that Amber presented to be approved. (See attachment) Also lowering the cost of the entry fee to \$15.00.

Adult Recital (Sydney) will be held depending on participation. Usually held the weekend before or after Spring Break with D51.

Performance Luncheon will be held at the December 11th meeting. Members may perform and thing they would like. This is a Potluck Lunch for all members.
